

Declaration of interests

Competing interests are defined as those potential influences that may undermine the objectivity, integrity, or perceived conflict of interest of a publication.

☒ The researchers declare that they have no known competing financial interests or personal relationships that could have appeared to influence the work reported in this paper.

☐ The researchers declare the following financial interests/personal relationships which may be considered as potential competing interests:

Please describe potential conflicts of interest below and provide additional detail in the cover letter if necessary.

PF V. TARUZA
